SPA PRODUCT GUIDE

LEISURESCAPE
SPAS
The Next Generation

EXPERIENCE LUXURY EVERY DAY

Treat yourself to a little luxury in your own backyard with a Leisurescape Spa from Clark Rubber.

The warm, soothing and dynamic water is not only great for your health and wellbeing, but also your relationships and social life. Relax with friends, unwind with your family or just enjoy some important “me” time.

Time in a spa is the perfect way to soothe your body, soak away stress, and enjoy the “good life”.

At Clark Rubber our mission is to provide high quality products at affordable prices. For over 70 years we’ve helped Australians turn their dreams into a reality, and now it’s no different with Leisurescape Spas.

Leisurescape Spas have a large range of spas to choose including Portable Lounge Spas, Swim Spas and specialty spas such as Treadmill Spas and spas for special needs.

Our most popular portable lounge spas are equipped with reclining seats, hydrotherapy jets, ozone disinfection generators, advanced illuminated control pads and colour-changing lights.

If you really want to splash out, the Leisurescape Spa range also includes Swim Spas; an alternative to an in-ground back yard swimming pool, for splashing around and exercise, as well as giant dual-zone swim spas, with a swim zone and a lounge zone for the best of both worlds.

All Leisurescape Spas are designed to be self-contained, and easy to operate. They are made from durable, high-quality materials and equipment, including a super-tough stainless steel frame, high quality Aristech acrylic shells and durable PVC cabinets.

BONDI SINGLE ZONE SWIM SPA

Swim Spas give you the best of both worlds, with a place to relax for a massage and a place to exercise, and because they are heated, you can use them as a swimming pool every month of the year.

The Leisureescape Bondi is a popular Single Zone Swim Spa that is the perfect choice for those who want to Train or Relax. Bondi includes typical spa features such as hydrotherapy jets, LED lighting, and head rests and merges this with the spaciousness of a swimming pool with four high-powered swim jets. This could be the makeover your backyard needs.

SPA JETS

2

Rotating Hydrotherapy Jet

A soft rotational massage jet situated on the upper of the seat, to massage your shoulders and middle-back.

Full Flow Hydrotherapy Jet

A firm massage jet situated at the base of each seat for your lower back and spine.

Volcano Jet

A soothing foot massage jet for the ultimate pampering. Not available with Patio Spa.

Air Jet

A jet of bubbles, for that typical, enjoyable spa experience. Not available with Emerald and Patio Spas.

UPGRADE YOUR CONTROLLER

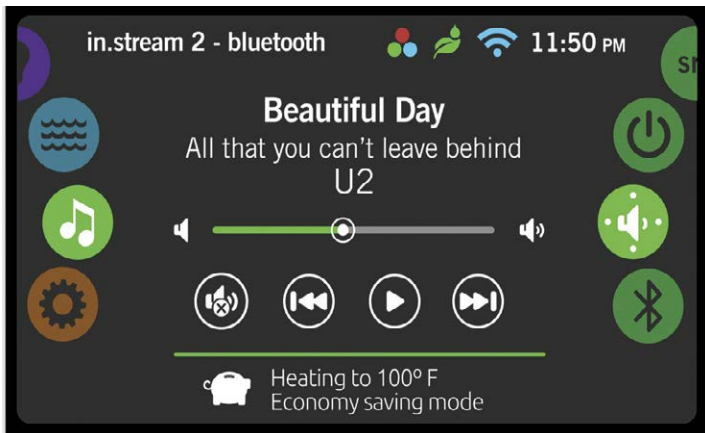

Image depicts k.1000+ touch pad with audio upgrade graphics. Touchpad not included.

Upgrade to an eye-catching Gecko in.k1000+ controller keypad, with advanced features and colour touch screen display. Attractive, fun and easy to use, the Gecko in.k1000+ touchpad features a large, bright, interactive display with an intuitive single-level menu.

Smart Phone Connectivity and Control: Control your spa anytime, anywhere with the convenient Gecko IN.TOUCH2. mobile phone remote. Using the free app for IOS and Android, you can easily control your spa's filtration cycles, water temperature, lighting and economy modes from anywhere in the world. The IN.TOUCH2 app can also be programmed with notifications to keep you informed of the spa status.

Audio package upgrade: Enhance your spa experience with an audio upgrade consisting of two flush-mount speakers, an in-cabinet subwoofer and bluetooth receiver, to stream your favourite songs or audiobooks.
